Dear Sharon,

**Thank you** for your generous donation to Bucks County Housing Group's Penndel Pantry during last year's Thanksgiving & Toy Drive. 2022 was a particularly difficult year for many of our clients & your donation played a pivotal role in allowing local families provide their children with a special holiday season. On behalf of the Penndel Pantry staff & volunteers, we truly appreciate your generosity and feel very grateful to have you as a local partner.

BCHG operates two high quality community food pantries, two Mobile Markets bringing food where it's needed most, and two community gardens. In addition to those who usually utilize the Penndel Pantry - (typically low-income people who, despite all efforts, simply cannot make ends meet), we are helping folks who are facing food insecurity for the first time due to rising inflation, stagnant wages, and the lingering and persistent effects of the pandemic. As demand for our services increase at unprecedented rates, we are expanding our services to meet growing need. In 2022, our food program served more than 5,900 unique households, consisting of 22,868 unique individuals, for a total of 113,055 pantry patrons.

Thank you for standing proudly with us as a champion of poverty relief in our community. BCHG has a forty-year track record of serving homeless and impoverished residents, and we are constantly growing to meet the changing needs of our county. Thank you for your support in helping us to fight hunger and homelessness through the support of our less fortunate neighbors.

Sincerely,

Steven Keller  
Food Pantry Coordinator
